

Bavaria Egypt Organizes a Trip to Luxor

In an initiative considered as a first of its kind, Bavaria Egypt company, undertook the organization of a trip, the first of its kind for the duration of five days to the City of Luxor. Members, were a number of students, and supervisors of the **Dr. Nader Riad** Preparatory School at Al Ayat.

Accompanying the students and supervisors were some of the employees of Bavaria Egypt Company.

The group of visitors filled the streets of the city with laughter and joy and singing as they wandered in the city streets riding horse driven carts , and on boats that floated on the River Nile .

They mixed with tourists and offered them flags of Egypt which they were waving in their hands. The tourists in turn were very friendly and welcomed this bunch of small students, who together, both young and older construed a National Parade which filled the air with happiness and joy.

General Salmi Selim the head of the High council for Luxor city commended this social initiative when meeting with the children.

He answered all the questions that came into the minds of the little dears and was as usual , very frank and attentive. He attended the singing festival the children organized in his favor in the Movenpick Hotel where they stayed .

The general handed them the shield of the city in honor of both the school and for Dr. Nader Riad , Chairman of Bavaria Egypt.
