

## **Regional and International Challenges High on Agenda of German-Arab Chamber of Commerce Meeting in Cairo**

The industrial committee of the German-Egyptian Chamber of Commerce and Industry headed by Dr. Nader Riad will organize a conference on the regional and international challenges facing industry development programs. The Secretary General of the Arab Investors Union Gamal Bayoumi will be the keynote speaker at this conference, which will be held on February 25.

The Chamber's Executive Manager, Dr. Peter Goepfrich, said that the conference comes within the framework of the chamber's agenda to discuss issues of economic development in Egypt and the Arab region through listening to the opinions of Egyptian experts, officials and businessmen regarding the current challenges facing the Egyptian economy.

The conference will also discuss prospects of economic cooperation between Egypt and Germany and the methods to increase intra-trade and joint investment and the transfer of German technology to Egyptian industry.
