Honouring the Best

A Party has been held in honour of the best students at **Dr. Nader Riad** Prep School, which has achieved a great success, 99% result. Attending the party was **Mr. Amir Riad** who honoured the students.

Riad stated that honouring the students at that particular time is meant to incite theme and give them a push forward.

Riad also referred to the fact that technology has become a necessity " we can't do without", that it has become an aspect of the modern age and that we should make the best use of it.

Supervising the party was Mr. Ashraf Amer.
