

Sehr verehrte Heiligkeit, Papst Tawaadros

Sehr verehrter Herr Staatssekretaer Pschierer,

Sehr verehrter Herr Rodenstock

Verehrte Mitglieder der Delegation aus dem Freistaat Bayern,

sehr verehrte Anwesende

Ich heisse Sie alle herzlich willkommen.

It is my honor and pleasure in my capacity of Chairman of the Egyptian German Business Council and also as a member of the Coptic Civil Supreme Council, to welcome you in Cairo where you witness genuine readiness to resume and develop the traditional relations with the Freistaat Bayern, which, after all, is one of the most successful states of the Federal Republic of Germany in many a respect.

The basis of the Bavarian-Egyptian relations remains as convincing as ever: reliable partners on both sides of the Alps and the Mediterranean and excellent conditions for close cooperation in many fields – be it the efficient Bavarian industry which enjoys on the banks of the Nile and in the whole region appraisal and high esteem.

Ich selbst hatte und habe die Moeglichkeit, teilzuhaben an der bayerisch-aegyptischen Symbiose im breiten Rahmen der deutsch-aegyptischen Freundschaft.

On this context I would like to mention that Old Egypt played an eminent role in saving Christianity after the crossification of Jesus Christ. It acted as incubator for Christianity and even gave it the original Church and Monastery traditions and rituals, that other Churches took over in principal.
